**Special Provisions for Certificate of Waiver or Authorization
Issued To
Carol Marple, Minnesota Amateur Spacemodeler Association (MASA)
Near Nowthen, MN GEP330013.8
April 1, 2010**

Special Provision #1. Notice requirements specified by 14 CFR 101.27 shall be made at least 24 hours but no more than 3 days in advance of each proposed launch. This notification shall be made to the Lockheed Martin Flight Service Station at (877) 487-6867.

The launch coordinator shall request that Lockheed Martin AFSS issue a Notice to Airman (NOTAM).

Below is an example of the NOTAM that will be issued by the Lockheed Martin AFSS:

!PNM GEP UNMANNED ROCKET 3 NMR GEP330014 5,500/BLW WEF 0504231300-0504232300

Special Provision #2. Real time telephone communication shall be effected with the Minneapolis Terminal Radar Approach Control (TRACON) as follows:

One hour before the first launch, the launch coordinator shall contact the Minneapolis TRACON Front Line Manager at (612) 713-4050 to confirm the intent to proceed with the launch. Minneapolis TRACON shall also be provided a telephone number where immediate and continuous coordination can be made with the launch coordinator in the event it becomes necessary for flight safety to halt or delay the launch. This telephone shall be monitored at all times, and the launch coordinator shall be immediately available in the event coordination becomes necessary.

Special Provision #3. No unmanned rocket shall exceed 5,500 feet MSL, with the exception of requests for higher altitudes if approved by the Minneapolis TRACON.

Special Provision #4. The holder of this authorization shall retain sole responsibility for adherence to applicable requirements of 14 CFR 101, the provisions of this Certificate of Waiver, and for the safeguarding of persons and property.

Special Provision #5. All persons connected with the unmanned rocket operations shall be familiar with the applicable requirements of 14 CFR 101 and this waiver with its Special Provisions.

Special Provision # 6. 14 CFR 101.25(b)(5) is waived under the condition that the waiver holder contacts any airport managers/owners within a 5-mile radius of the launch site and receives concurrence from those managers/owners.
