

ROCKET LAUNCH & FUNDRAISER

Join us for a rocket launch and fundraiser at the Chateau St. Croix Winery. We are raising money to help send Cottage Grove's Caleb Boe and Todd Schweim of St. Croix Falls, WI to the World Spacemodeling Championships. This is the Olympics of Rocketry! Caleb and Todd are among 25 team members who will be representing the United States at the 2010 WSMC in Irig, Serbia this August.

The **ROCKET LAUNCH** will be starting at 3:00 p.m. on Sunday, May 23, 2010 at the Chateau St. Croix Winery. If you fly rockets, please feel free to bring them and join the launch! It is free and open to the public. The launch will be hosted by MASA, the Minnesota Amateur Spacemodeler Association.

Doors open at 4:00 and the **FUNDRAISER** begins at 5:00 p.m. within the winery and includes dinner and an auction. All proceeds from the fundraiser will help to pay for transportation expenses to the World Spacemodeling Championships.

SEE WHAT ROCKETRY IS ALL ABOUT!

For more information, contact: RocketteamUSA@gmail.com. If you can not attend but would like to help, make checks payable to Rocket Team USA, c/o US Bank, PO Box 488, Cushing, WI 54006

SUNDAY, MAY 23, 2010
3:00 - 8:00 P.M.
